# MIRROR BALL

Friday, October 2nd  
7:00pm to 7:45pm

A virtual event to benefit  
myHealth for Teens & Young Adults.

This year we, like many other organizations have made the decision to make our gala a virtual event. Your involvement as a sponsor is more important than ever and ensures that the youth in our community continue to have a safe and non-judgmental place to receive the services and education they need to be successful and healthy. Will you join us as we raise crucial funds to allow us to continue to provide confidential, affordable healthcare services to the young people of our community?

Since we are not able to gather together as one big group this year we are also offering a special "table" sponsorship alternative. Host your own small private viewing event and with your gift of \$550 we will provide a special "Watch Box" for you and your friends loaded with drinks and snacks!
